Riepilogo

Certified architect and BIM specialist, I am a team player with curiosity and willing to learn.

I hold a Master degree in Architecture from University "Sapienza" in Rome (110/110, October 2017) but

I've studied two years abroad, in Frankfurt am Main (University of Applied Sciences), and in Berlin (Technischer Universitat), where I developed my thesis in Environmental Architecture.

I have excellent knowledge of the following softwares: Revit, Dynamo, AutoCAD, Photoshop, InDesign and a I have strong passion for details.

I speak Italian, English and German.
